

experience, trust and attention to detail.  
 Bella Vita believe it's the small things  
 that count!

**Make us a regular addition to the way home**

Shutters and blinds are an integral feature for any style of home. Especially when you consider that they're one of the most often used items from the inside of the home and they also help to keep it safe.

To whether you want privacy or light control, functionality or versatility, contemporary or period style we can provide shutters and blinds that will fit your needs perfectly.

**Settings, made for entertaining**

Whether you're a shutter lover, you're an occasional shutter user or you don't use them at all, they can be fitted to any style of window or door, from including French doors and sliding doors, from built-in cupboards to wall-to-wall steps.

They can also be painted to suit your decor or have different colors for different rooms. Offering window solutions ranging from solid wood louvers to pleated shades, roller blinds and motorized shades to motor shades.

**Light Up.** The shutters can be painted in any color, but we have a range of pleated shades with integrated lighting. They come in a variety of styles and colors, including pleated shades with integrated lighting, and motorized shades with integrated lighting.

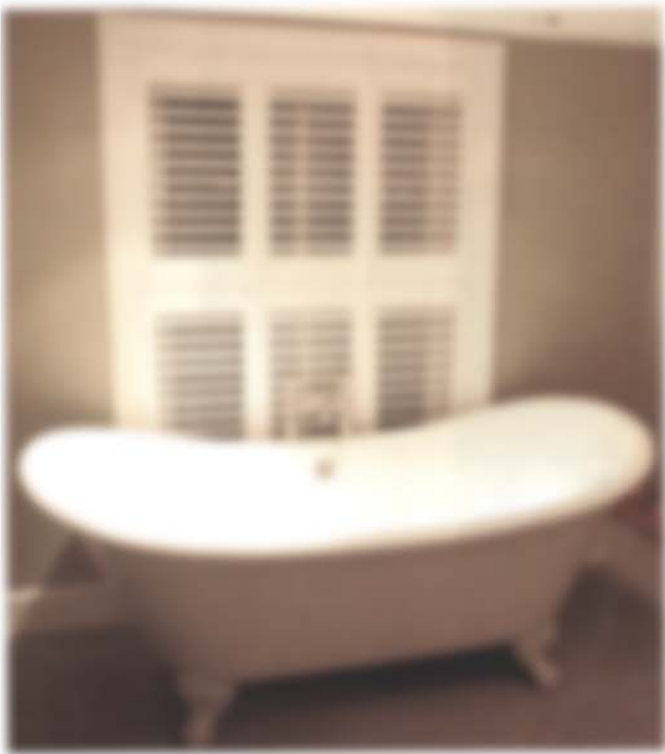

**Fit in Style.** Shutters and blinds with integrated lighting can be used to create a modern look, or you can choose the look of the light to match your style.

Whether you're looking for a subtle addition of texture and color, light control, or just want to add a touch of style to your home, we have the solution for you. Contact us today for a free quote and see how we can help you create the perfect look for your home.

Shutters and blinds are made to last and are a great way to complement your home's style and decor.

With a nationwide reputation, many people don't realise that Shutterly Fabulous is Brighton born and bred. Launched in 2002, Shutterly Fabulous has grown steadily to become the largest shutter company in Brighton & Hove. Having relocated to larger premises by Hove Lagoon last year, Shutterly Fabulous have recently opened their new showroom.

The new showroom features many different shutter options, including bay windows and French door displays. Shutterly Fabulous has always been focussed on providing customers with a top quality plantation shutter product coupled with a superb level of customer care. Co-Director Murray Clark comments "The opening of our showroom now enables potential customers to come and view the product insitu. They can come and discuss their ideas with a member of our team and see first hand how shutters could potentially look in their home.

"When we started there were very few shutters companies around, offering very little choice to customers. In the past 6 years shutters have become a lot more popular and there are many more companies around for people to choose from. However most companies sell identical products, sourced from the same supplier, therefore customers are not really being offered any real choice when considering different companies.

"We have complete control over all aspect of our business. We don't offer MDF shutters as we believe our customers' investment should last a lifetime, and therefore manufacture using only quality hardwoods. Our shutter design is unique and not available from any other full service shutter specialist in the south east and has a number of manufacturing techniques and design options not available from other companies."

While the product has been designed to an exceptionally high standard, it is the genuine love of the shutters that sets the team at Shutterly apart. "We don't send round a sales rep to badger you into buying. Our Design Consultants are experts in their field and have a wealth of experience. Almost everyone who works here has a passion for interior design and want to ensure customers shutters are the perfect design and shade for their home." By keeping direct control of all the business activities and not sub contracting out any aspects of the operation, Shutterly Fabulous has been able to remain extremely price competitive.

Murray comments "It's a common misconception that hardwood shutters will be more expensive than MDF. By avoiding a middle man, we can offer Brighton customers great quality wood shutters at a surprisingly attainable price".

Shutterly Fabulous's HQ and showroom can be found on Basin Road South, just past Hove Lagoon. Opening hours are Monday to Friday 9am to 5pm and Saturdays 10am to 4pm. For an informal chat pop in or call the Shutterly team on 01273 427912 or visit [www.shutterlyfabulous.com](http://www.shutterlyfabulous.com)
