

STYLE WINDOW DRESSINGS}

26 stylish ideas for windows Whatever your budget, there's a smart idea for curtains, blinds and shutters

15 Go for a versatile design

Shutters can look great in both classic-style homes and more modern interiors. Choose natural or white-painted wood if you want a more streamlined look. On the other hand, as Sam Tamlyn, Operations Manager at Shutterly Fabulous, says, 'A bright, punchy colour will make your shutters the focal point of the room. Shutters also work fantastically well on full-height
